

Src/Scene/Days/DayController.h

```
graph BT; A[Src/Scene/Days/DayController.cpp] --> B[Src/Scene/Days/DayController.h]; C[Src/Scene/OpeningScene.cpp] --> B;
```

The diagram illustrates a header file relationship. At the top is a gray box labeled 'Src/Scene/Days/DayController.h'. Below it are two white boxes: 'Src/Scene/Days/DayController.cpp' on the left and 'Src/Scene/OpeningScene.cpp' on the right. Blue arrows point from each of these two boxes up to the header file box, indicating that both source files include the header.
